Subject : Increase in Consumption
of Iodized Salt as a
Strategy to Reduce
Iodine Deficiency
Disorders (GAKY).

SURAT EDARAN

In order to increase iodized salt consumption as a strategy to reduce the serious impact of iodine deficiency disorders such as miscarriage, stillbirth, congenital defects in pregnant women, cretinism, goiter, growth disorders in children, and brain damage and mental retardation that continues to decline in *Intelligent Quotient* (IQ). All these disorders can be related to the low performance of school-age children, low productivity of workers in adults and the emergence of various social and economic problems in the community that overall can hinder development.

Based on the Ministerial Regulation in the Country Number 63 Year 2010 regarding the Guidelines for Reducing Iodine Deficiency Disorders in the Region and the results of the Basic Health Survey Year 2013 which revealed that Bali Province occupies the second lowest level for the indicator of household iodine consumption category is sufficient. In connection with the above, therefore, we hereby inform you as the Bupati/Walikota to take the following steps:

1. Ensure that the salt available in the market is iodized salt that is consumed by the community.
2. Ensure the availability of iodized salt up to the level closest to the community.

3. Melakukan pengawasan terhadap mutu garam beryodium yang beredar di pasaran secara berkala
4. Meningkatkan sosialisasi penggunaan garam beryodium kepada masyarakat baik secara formal maupun non formal
5. Meningkatkan koordinasi lintas program dan lintas sektor terkait
6. Memberikan dukungan secara penuh terhadap upaya-upaya peningkatan konsumsi garam beryodium
7. Meheruskan Surat Edaran ini kepada seluruh jajaran instansi di bawahnya sampai dengan unit organisasi terkecil untuk melaksanakan dan memenuhi upaya-upaya dalam Surat Edaran ini secara konsisten dan sungguh-sungguh.

Demikian Surat Edaran ini dibuat untuk menjadi perhatian dan dilaksanakan

Tembusan disampaikan Kepada Yth:

1. Kepala Badan Perencanaan Pembangunan Daerah (Bappeda) Provinsi Bali
2. Kepala Dinas Kesehatan Provinsi Bali
3. Kepala Dinas Perdagangan dan Perindustrian Provinsi Bali
4. Kepala Dinas Perikanan dan Kelautan Provinsi Bali
5. A r s i p
